April 14, 2010 at 7 pm
At the SHRHS Library**

Agenda

- I. Call to Order
- II. Draft minutes from 1/26/10
- III. Dialogue on Work Group Recommendations*

*Please bring a copy of the Work Group Report. We will have the SHRHS Board members participating in the Work Group to report on the status of each recommendation. And then move to some dialogue by all Work Group members.

So that we may focus our energies the recommendations of most interest to Work Group members, please try to identify those most of interest to you and either email them to Ward Sanders (wsanders@njahp.org) or come prepared to identify them at the beginning of the meeting.
