**RESOLUTION 71-2021**

**A Resolution Calling on Governor Phil Murphy, U.S. Senators Bob Menendez and Cory Booker, and Congressman Tom Malinowski to Encourage the Biden Administration to Reverse its Support of the Penn East Pipeline's Use of Eminent Domain to take New Jersey Property, to Oppose the PennEast Pipeline Project and to Support H.R. 2115**

WHEREAS, on September 10, 2019, in 2019, the United States Court of Appeals for the Third Circuit rendered a decision in *PennEast Pipeline Co. v. New Jersey*, finding that private companies who hold a Certificate of Public Convenience and Necessity from the Federal Energy Regulatory Commission ("FERC") may not exercise the federal power of eminent domain Congress delegated to them under the Natural Gas Act ("NGA") to bring an action to condemn private property in which a state asserts an interest;

WHEREAS, the PennEast Pipeline Company, having been granted a Certificate of Public Convenience and Necessity and eminent domain authority by the FERC, allowing it to seize land from property owners appealed the Third Circuit's decision to the U.S. Supreme Court, to continue its efforts to build part of its ill-conceived and unneeded natural gas pipeline through, among other properties, 44 New Jersey state-owned or controlled parcels of land;

WHEREAS, the State of New Jersey, in its brief submitted by New Jersey Attorney General Gurbir Grewal, argued that the appeal should be denied, because the unanimous Third Circuit Decision reflected a proper application of sovereign immunity law and that the Constitution does not allow private parties, like the PennEast Pipeline Company, to sue States under the NGA;

WHEREAS, the Biden Administration's Solicitor General, following the position of the Trump Administration, urged the Supreme Court to overturn the Third Circuit decision that blocked the PennEast Pipeline Company from using the federal power of eminent domain to take land owned by the State of New Jersey;

WHEREAS, the planned pipeline route would proceed along the western border of the City of Lambertville, threatening our water supply, triggering more flash flooding, potentially voiding two generations of effort to clean up the Delaware River and revive its wildlife;

WHEREAS, the campaign platform of President Joe Biden and Vice President Kamala Harris included a document entitled, "[9 KEY ELEMENTS OF JOE BIDEN'S PLAN FOR A CLEAN ENERGY REVOLUTION](#)," which called on their administration to act on climate change immediately and ambitiously because "there's no time to waste;"

WHEREAS, the Biden/Harris Administration is keen to bolster its green credentials both domestically and internationally, and the PennEast Pipeline project serves as a counter-point to a forward-looking, balanced energy plan. The recent Supreme Court brief filed by the Acting Solicitor General does not advance the urgent agenda to de-carbonize our energy supplies;

WHEREAS, on March 31, 2021, Congressmembers Bonnie Watson Coleman (NJ-12) and Tom Malinowski (NJ-7) [announced](#) the introduction of the Safe and Accountable Federal Energy Review for Pipelines Act of 2021 ([H.R. 2115](#)). FERC has for years relied on outdated private agreements to determine whether to approve future natural gas pipelines, failing to comprehensively evaluate or consider duplicate, competing or contiguous pipelines and their impact on local environments. This abbreviated process has resulted in the approval of over 470 natural gas pipelines between 1999 and 2019 with only two rejected applications;

WHEREAS, the City of Lambertville, through two mayors and a total of eight council members has long and unanimously expressed its opposition to the PennEast Pipeline project.

NOW THEREFORE BE IT RESOLVED BY THE Governing Body of the City of Lambertville in the County of Hunterdon, in the State of New Jersey, that Lambertville supports the decision of the U.S. Third Circuit Court of Appeals to protect sovereign immunity and calls on New Jersey's Governor Phil Murphy and U.S. Senators Bob Menendez and Cory Booker and Congressman Tom Malinowski to urge the Biden Administration and its Solicitor General to Oppose PennEast's U.S. Supreme Court appeal;

BE IT FURTHER RESOLVED, that the Governing Body expresses its appreciation to our U.S. Representative Tom Malinowski and to Congresswoman Bonnie Watson Coleman for opposing Penn East's appeal;

BE IT FURTHER RESOLVED, that the Governing Body expresses its support for H.R. 2115; and

BE IT FURTHER RESOLVED this resolution shall be distributed to:

- a. Governor Philip Murphy;
- b. Senators Menendez and Booker;
- c. Congressman Tom Malinowski; and
- d. Congresswoman Bonnie Watson Coleman.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

This purpose is in the public interest and is for the health, welfare, convenience or betterment of the inhabitants of the City. The amounts to be expended for this purpose pursuant to this bond ordinance are not unreasonable or exorbitant, and the issuance of the obligations authorized by this bond ordinance will not materially impair the credit of the City or substantially reduce its ability to pay punctually the principal of and the interest on its debts and to supply other essential public improvements and services. The Local Finance Board in the Division of Local Government Services of the Department of Community Affairs of the State of New Jersey has heretofore made a determination to this effect and has caused its consent to be endorsed upon a certified copy of this bond ordinance as passed upon first reading.

This Section 7 is a declaration of intent within the meaning and for purposes of the Treasury Regulations.

Section 8.
