CITY OF LAMBERTVILLE POLICE DEPARTMENT

To: Mayor Julia Fahl, Lambertville City Council
From: LT. Robert Brown, Officer in Charge
SUBJECT: Annual Report 2020
Date: March 11, 2021

The City of Lambertville Police Department is a progressive, pro-active, community oriented law enforcement agency. We are a full-service department staffed by nine police officers and one special officer that is operational around-the-clock, seven days a week. Primarily a uniformed patrol based operation, we also provide a criminal investigative function. This is through the assignment of a detective (when feasible) and conduct periodic specialized patrol in the form of a Bicycle Patrol Unit. Our police officers receive continuous, up-dated in-service training relating to both existing and new policies, procedures, firearms proficiency, and other areas relevant to the law enforcement function. Most of our officers have attended advanced classes, covering many diverse topics that include traffic accident and criminal investigations, Interview and Interrogation, Bias Crime Reporting and Investigation, Cultural Diversity, Terrorism, Internal Affairs, Narcotics Enforcement, Methods of Instruction, Handling the Emotionally Disturbed, Evidence Management, Autism Awareness, and Computer Crime/Identity Theft. The administrative staff includes an office manager, a full-time parking enforcement officer and several part-time parking enforcement officers. I am proud to say that the caliber of our officers and civilian staff is second to none.

It is the philosophy of this department to perform our duties consistent with modern, community policing practices. We routinely solicit citizen input in addressing crime and quality-of-life issues. We always strive to identify and solve problems by maintaining open lines of communication with the community. We take these responsibilities seriously and continuously look for ways to improve our performance.

I respectfully submit the 2020 Annual Report for the City of Lambertville Police Department for your review. This report details operational statistics, administrative activities and functions. There is also a general assessment of department productivity in a variety of areas.

2020 was a year unlike any other, from the unique challenges of day to day living and working created by COVID-19 and to the tragic death of George Floyd at the hands of police officers in Minneapolis. This sparked demonstrations throughout the country and in our own community, which caused mistrust within the communities.

2020 was a very difficult year for the Lambertville Police Department. I am proud to say that the men and women of the Lambertville Police Department stepped up and met these new challenges with great determination and pride.

We successfully worked our way through the demonstrations uniting against racism and against police brutality. The demonstrations were peaceful and the officers of this agency remained professional.

Officers had to quickly become familiar with all the known facts of COVID 19 and adapt to the ever-changing procedures. Officers responded daily to incidents where individuals were displaying COVID 19 symptoms to render aid or to provide any other assistance they needed. All of our officers did so without hesitation and continued to serve the community. The police department remained open 24 hours a day throughout the pandemic to protect and serve our unique city.

In 2020 we continued to operate with a reduction in force of one police officer (10% of department) that took effect in 2011 and the police director position in 2019. The civilian police director's responsibilities have been assigned to the police lieutenant who is currently the officer in charge. This staff reduction resulted in the elimination of a dedicated investigator's position. This slot had been crucial with respect to our ability to conduct timely and efficient initial and follow-up investigation of reported crimes, and all other type of investigations such as background checks, domestic violence case follow-up, ABC, firearms, taxicab, and vending machine licensing. These responsibilities are presently shared with Detective Vincent Albani and Detective Matthew Bast. However, both officers remain assigned to the regular duty chart and are still required to perform all routine patrol duties and respond to calls for service. Detective Albani also serves as the department's Evidence/Property and Project Medicine Drop Program Officer.

In 2020, the department handled 10,807 calls for service. The department conducted 294 investigations, and 2,331 non-criminal investigations.

In 2020 the department had 36 arrests, compared to 66 arrests in 2019. Total parking summonses issued in 2020 were 3,525, compared to 4,431 in 2019. Total ParkMobile transactions for 2020 were 33,971, compared to 39,064 transactions in 2019.

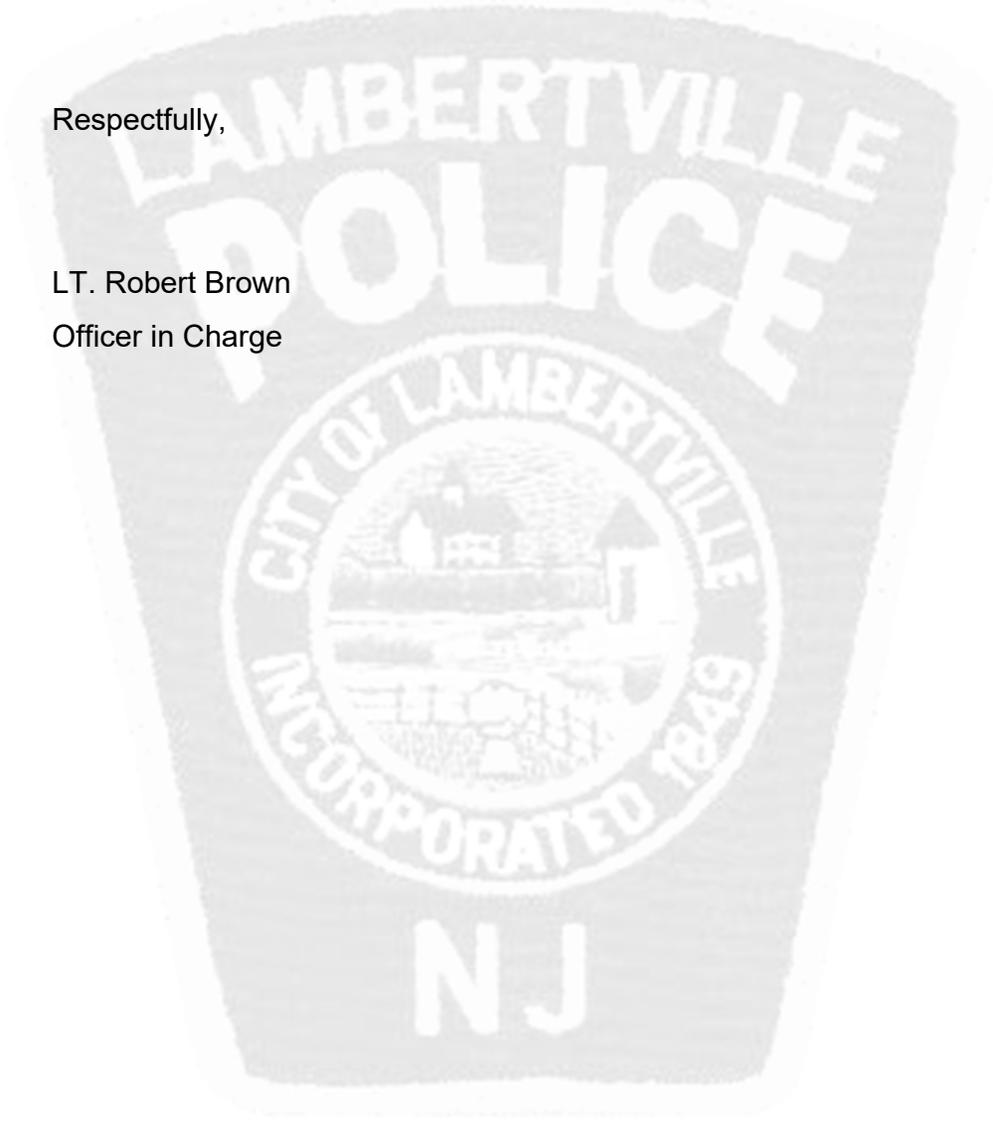

Part I UCR crimes in 2020 totaled 28, compared to 32 in 2019. See attachment B for detailed analysis.

There were 118 motor vehicle accidents in 2020, compared with 117 reported in 2019. No fatalities resulted from these accidents. One pedestrian was struck in 2020, compared to Two pedestrians were struck in 2019. Three motor vehicle accidents resulted in DUI arrests. The top two accident locations were once again occurred in the general vicinity of Routes 165/ 518 and Route 165/179.

Although the responsibilities and challenges that police departments handle have become increasingly more demanding, all of our members remain committed to providing first-class police service and a safe, secure environment for all Lambertville residents and visitors. I am honored and privileged to have had the opportunity to lead the men and women of this police department, as they are truly dedicated and amazing individuals. **Thank you to Mayor Julia Fahl for her continued trust and support.**

Respectfully,

LT. Robert Brown
Officer in Charge
