9. Off-Street Parking and Driveways.

- (a) Parking shall not be permitted between buildings and Brunswick Avenue (Route 518).

(b) Townhouse dwellings.

- (1) Individual townhouse driveways shall not have direct access to a public street, but may have direct access to an internal street, roadway, etc.
- (2) Townhouse dwellings shall provide at least one (1) off-street parking space within an enclosed garage located in the rear yard with access from a lane/alley.

- (3) Garages, driveways and parking areas shall have a minimum setback of three (3) feet from any side property line or side of dwelling unit. An exception to the three-foot setback from the side property lines shall exist for townhouse lots to permit garages, driveways and parking areas that share a common wall on the common property line.
- (c) Multi-family dwellings.
- (1) Parking shall not be located in the front yard between buildings and public streets. Individual building driveways shall not have direct access to a public street, but may have direct access to an internal street, roadway, etc.
 - (2) Parking areas shall not be located between buildings and internal streets, roadways, etc.
 - (3) Parking areas shall be set back at least seven (7) feet from building walls.
- (d) Each dwelling unit shall be provided a minimum number of parking spaces according to the provisions of the Residential Site Improvement Standards (RSIS), *N.J.A.C. 5:21*, or based upon historical data provided subject to City review.
- (e) See §509 for additional standards.

10. Trash and Recycling Requirements.

- (a) The trash and recyclable material collection and pickup locations shall be provided either within the building being served or in nearby locations outside the building.
- (b) If located outside the building, the trash and recyclable materials area shall be totally enclosed, finished with materials used to construct the building(s) being served, up to a maximum of eight (8) feet in height, and located in a manner to be obscured from view from parking areas, streets and adjacent residential uses or zoning districts by a fence or wall. Landscaping, at least six (6) feet in height, shall be provided around any outdoor trash and recycling area.
- (c) The area provided for the collection and pickup of trash and recyclable materials shall be well lit and shall be safely and easily accessible by trash and recycling personnel and vehicles. Collection vehicles shall be able to access the trash and recycling area without interference from parked cars or other obstacles. Reasonable measures shall be taken to protect the trash and recycling area and the

bins or containers placed therein against theft of trash and recyclable materials, bins or containers.

- (d) Any bins or containers which are used for the collection of trash and recyclable material, and which are located in an outdoor trash and recycling area, shall be equipped with a lid.
- (e) Individual bins or containers for the collection and pickup of recyclable materials shall be equipped with signs indicating the materials to be placed therein.
- (f) See §512 for additional standards.

11. Permitted Signage.

- (a) Community Sign. One (1) ground mounted freestanding sign identifying the name of the development no larger than twenty-five (25) square feet shall be permitted at the entrance to the development from an existing public street.
 - (1) The sign shall not exceed six (6) feet in height and shall be set back at least ten (10) feet from all street lines and fifty (50) feet from all other property lines.
 - (2) Any sign illumination shall be external to the sign and shall be designed and oriented to prevent any sight of the lamp from any street or neighboring properties.
- (b) Residential Building Identification: Each residential building may have up to two attached identification signs. The maximum sign area of each shall not exceed six (6) square feet. Such signs shall be appropriately integrated within the architecture of the buildings.
- (c) See §515 of this chapter for permitted temporary signs, additional standards and the design requirements for signs.

12. Community Design.

- (a) The front façade of buildings shall face Brunswick Avenue (Route 518).
- (b) A minimum of 750 square feet of area shall be provided as community open space for the residential development.
- (c) Plantings. All portions of a lot not covered by buildings or structures (e.g. parking lots, parking spaces, loading areas, access aisles, driveways, sidewalks,

walkways, curbs, trash enclosures, children play areas, dog walks, etc.) shall be suitably planted with grass, shrubs, and trees and shall be maintained in good condition. In any case, no less than twenty (20%) of the area of the lot shall be so planted, and the planted area may include approved detention and/or retention basins.

(d) Other design features.

- (1) Wherever reasonably feasible, sustainable construction techniques shall be utilized to minimize the impact upon the environment, including energy efficient building designs, recycled materials, water conservation devices, permeable pavement, native plantings, low chemical usage to maintain the landscaping, and similar measures which are sensitive to the environment.
- (2) The stormwater management plan shall include stormwater management facilities that are designed to enhance the aesthetic attributes of the proposed development.

13. Affordable Housing Standards.

- (a) A Developer's Agreement is required to establish low/moderate apportionment, very low income requirement per *N.J.S.A. 52:27D-329.1*, bedroom distribution, unit size, etc.
- (b) At least 13% of the units shall be affordable to very-low-income households, 37% of the units shall be affordable to low-income households, and 50% may be affordable to moderate-income households.
- (c) The affordable units shall be developed in accordance with COAH's regulations at *N.J.A.C. 5:93* and the Uniform Housing Affordability Controls (UHAC), *N.J.A.C. 5:80-26.1 et seq.*, which govern the administration and affordability controls of affordable units in New Jersey, with one exception. The exception is for 13% very-low income housing at 30% of the regional median income instead of the UHAC requirement of 10% very-low income housing at 35% of the regional median income.
- (d) Affordable Housing Standards. In addition to addressing the requirements of COAH and noted above, the affordable units shall be developed in accordance with the following:
 - (1) The affordable units cannot be age-restricted units;

- (2) The bedroom distribution requirements pursuant to *N.J.A.C. 5:93-7.3* and *N.J.A.C. 5:80-26.3(b)*.
