He explained to the governing body and the members of the public present that this resolution allows the city to authorize contracts for the 2020 roadway grant from NJDOT and the Arnett Avenue – Main Street Side repairs. The 2020 Road Projects was not funded. This was on the list to be funded for fall of 2021, however Hurricane Ida hit and priorities changed.

Arnett Avenue – Main Street side has been bid two times and the lowest bid is over the city engineer's estimate, however, he feels this is the best bid given the increase in supplies due to COVID and Hurricane Ida.

In-person

Paul Stevens asked about the status of the budget; and the status of posting the Zoom meeting videos. The Clerk responded that we were having some issues with it and will try to have it resolved shortly. He asked about the appropriation for bond ordinances and said he was curious where we think we will end up with repairs from Hurricane Ida. Mayor Nowick responded that it was nowhere near what we anticipated. We will pull together the numbers. The priority is to get us through the big projects. The creeks need to be done by August 30th. The approach is to borrow what we think we need, and hold back on other things to leverage the amount of money we borrow and complete prioritization. The Budget introduction is scheduled for May 3.

Zoom: No comments. 8 participants.
