Notes

- Accomplishments year to date
 - Updated resolution passed by council – Thanks Ward!
 - Comments on phase 1 FERC application
 - Virtual updates - Thanks Sue!
- Recent developments
 - Chaterjee replaced as chair – possibly due to his policy to consider proposals of carbon pricing for energy grids managed by States
 - Biden administration - will make appointments to FERC
 - No developments on DRBC application or Supreme Court case
- Committee membership refresh - call for volunteers went out this week!
- AOB
 - DRBC meet and greet webinar invite below
 - Summary of regulatory/judicial bodies with decisions/outstanding lawsuits - **Ward** to draft. Email ideas to Ward
 - Ideas for 2021:
 - Town zoom with expert panel discussion on new admin - what does it mean for PennEast? Green infrastructure?
 - Request Tom Malinowski, Cory Booker? Kip Bateman? Hunterdon Country Freeholder?
 - Multi CAP meeting? **Kelly** to reach out to CAP groups to see if 2-3 others interested to participate
 - DL: Mailchimp
 - New town council members - propose additional resolution
- **Next meeting Tuesday January 5, 2021 7PM via zoom. Invite to follow**
